Alliant Systems Offers Preferred Payment Processing and Pricing from TSYS Merchant SolutionsSM

Alliant Systems is partnering with TSYS Merchant Solutions to provide a tightly integrated payment solution that is easy to use, fast, and secure.

The result is expanded functionality for Alliant Route Accounting 2.0, including the ability to securely enter credit card data and accept payments via TSYS' state-of-the-art technology. The custom integration also eliminates time needed to manage credit card payments across two separate systems, and the need for office personnel to handle card payment information – making the system efficient, safe and secure.

TSYS Merchant Solutions offers advanced payment technology and security at the industries' most competitive rates. Thanks to the exclusive partnership with Alliant Systems, TSYS guarantees they will meet or beat your current processing rates, or they will pay you up to \$500.

TSYS Merchant Solutions also provides 24/7, U.S.-based support and payments expertise based on more than 30 years of industry experience.
